

# camacho Company Bio

**camacho** is a professional foodservice and laundry facilities consulting firm. Founded in 1968 and headquartered in Atlanta (Norcross, GA) with additional offices in Birmingham (AL), Climax (GA), Daphne (AL), Rock Hill (SC), Sun River (OR), Tampa (FL), Westfield (IN), and York (SC), our talented and hard-charging staff are dedicated to our client successes.

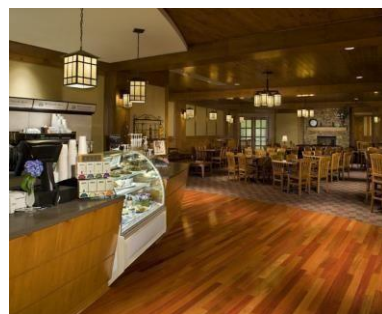

For over six decades, we've been designing foodservice and laundry facilities with a strong emphasis on budget, food choices, staff support, and making attractive facilities that draw attention to the food service program.

Our designs are energy efficient, ergonomically friendly, and flexible to allow the operator to adjust the menu in the future. We offer new and fresh ideas and foresee potential needs, positively influencing operation, design, and budget. **camacho's** design solutions meet the operator's needs and support the facility design's integrity.

**To maintain recommendation impartiality, camacho Associates has always had a strict policy of not being associated or affiliated with any manufacturer or supplier involved in selling, promoting, or manufacturing any foodservice or laundry supplies.**

- We participate early in the Integrated Project Delivery process focusing on ways we can help reduce the environmental footprint of the food, beverage, and laundry areas, focusing on energy efficiency and sustainability.
- We provide seamless coordination between interior design, architect, and engineering disciplines, adhering to all regulations, codes, and standards.
- We provide comprehensive utility coordination of equipment requirements within the MEP design and track this through the construction administration phase.
- We have the staff level to meet any project schedule. Our past clients will state that **camacho** is always on-time, accurate, and within budget.
- **camacho** Associates, Inc. utilizes AutoCAD 2022 and Revit 2019 – 2023 to provide our clients with faster and more accurate contract documents.

**camacho** is certified as an (DBE) Disadvantaged Business Enterprise and an (HBE – MBE) Hispanic or Minority Business Enterprise in Atlanta, GA. We staff 19 full-time employees to provide quality and comprehensive services to our clientele.
